

The sessions with dual moderators are listed as follows.
And, as agreed, the moderators can suggest changes in their session titles.

Session 1: *Clinical Epidemiology*
Moderators: *Fiona Stapleton and Oliver Schein:*

Session 2: *Lens-related MK*
Moderators: *Suzi Fleiszig and Mark Willcox*

Keynoter: *Jerry Neiderkorn, PhD*

Session 3: *Contact Lens Care Solutions: Problems and Opportunities*
Moderators: *Des Fonn (in charge) assisted by Ralph Stone*

Session 4: *Ocular Surface: Lens*
Assessments: Methods, clinical applications, Quality of life
Moderators: *Eric Pappas, and Noel Brennan*

Session 5: *Immunology and Inflammation*
Moderators: *Jerry Pier and Eric Pearlman*
Keynoter: *Reza Dana, MD, PhD*

Session 6: *Clinical and Biological Aspects of the Corneal Epithelium*
Moderators: *Ken Polse and Mike Gilmore*

Session 7: *Free Session: Quick-Fire Presentations*
Moderators: *Lyndon Jones and Nate Efron*

Session 8: *Lens Materials and surfaces: New challenges and Opportunities*
Moderators: *Brien Tighe and Jean Jacob*

Session 9: *Interactions between Lens, Tears and Cornea*
Moderators: *Gary Foulkes, M.D., and Michel Guillon*

Session 10: *Optical Aspects of Contact Lenses*
Moderators: *Arthur Ho, and Ray Applegate*

Session 11: *Stem Cells, Ocular Surface Homeostasis and Corneal Bioengineering*
Moderators: *Robert Lavker and Dwight Cavanagh*

Session 12: *Keratoconus and Corneal Ectasias: Pathobiology and Special Lens Correction*
Moderators: *Tim McMahon, and Jan Bergmanson*

Session 13: ***Refractive Correction: Laser, onlay/inlay cross-linking, and orthokeratology***

Moderators: ***Debbie Sweeney and Perry Binder***

Keynote: ***Iaonnis Pallakaris, MD***

Session 15: ***Discussion of Student Posters***

Moderators: ***Phillip Morgan and Carole Maldonado-Codina***

Session 16: ***Meeting Wrap: Summary and Important Issues***

Moderators: ***Holden, Fleiszig, Cavanagh***
